Tabriz, in the northwest of Iran was a historical center of carpet production and is a region well known for its court rugs such as the Ardabil rug. After the mid-19th century, Tabriz revived its carpet production and became a center

for export to Europe and elsewhere. The Tabriz carpet has a special significance. It was in the city's workshops that the first carpets for export were made. After shipping antique carpets abroad, merchants began to produce them themselves in workshops, according to the measurements and colors ordered by European merchants.
