

Bronze (or Spelter) Sculpture Of A Guard Dog With A Black Patina - Late 19th / Early 20th Century

280 EUR

Period : 20th century

Condition : Très bon état

Material : Marble

Description

Description: Important animal sculpture depicting a mastiff or bulldog in an alert posture, seated with its gaze directed upwards. The piece is distinguished by its expressive power and anatomical realism, characteristic of the late 19th-century animal sculpture school. **The Object:** Deep, glossy black patina, highlighting the modeling of the muscles and the details of the coat. **The Base:** Presented on a textured, integral base, reinforcing the robust character of the work. **Style:** Ideal for a cabinet of curiosities, a classic study, or a timeless, masculine interior. **Technical Details:** Period: Circa 1900. Condition: Excellent condition, original patina with slight signs of wear enhancing its authenticity.
