Old Iron Tool, Berbere?

750 EUR

Period : 19th century

Condition : Très bon état

Material : Wrought iron

Width : 14 cm

Height : 29 cm

Description

A very rare wrought iron tool, engraved and carved. To date, my research has not allowed me to determine its precise use and origin. However, another object acquired in the same collection could point towards a Berber origin. Could it be a sugar hammer?
