Description

An oil on canvas signed by Tony Cardella, measuring a very fine 81 cm x 60 cm. The landscape is located and dated Saint-Tropez in 1947. The beautifully rendered painting captures the town's bell tower near the port. The scene is animated by figures on a sailing ship either departing from or arriving in the harbor. The light of the South is palpable, and the palette knife technique lends a sense of movement to the work. Numerous annotations are found on the stretcher: "IX 4", "St Tropez 1947", "Tony Cardella Saint Raphaël Var". The painting is in excellent condition and is framed in a very fine Montparnasse frame (dimensions: 104 cm x 84 cm).
