

Ceramic - Pair Of Herons

420 EUR

Period : 20th century

Condition : Bon état

Material : Earthenware

Height : 36.5

Description

Pair of stylized wading birds in glazed earthenware depicting two herons, each standing on a base shaped as a rock. One is finished in white crackle glaze set on a base with deep blue tones, the other in a glossy green glaze with a darker textured base.

The work shows a naturalistic stylization and polychrome decoration typical of mid-20th century decorative ceramics, with an Asian influence. Height: 36.5 cm

Condition: good overall condition.
