Description

Art Deco Platinum & Diamond Cocktail Watch with 18ct White Gold Mesh Bracelet, circa 1935 An elegant Art Deco lady's diamond cocktail watch, dating to the second quarter of the 20th century, finely crafted in platinum and mounted on an 18ct white gold mesh bracelet. The elongated oval platinum case is set with approximately twenty-four graduating brilliant-cut diamonds surrounding the bezel, enhanced by stylised leaf-form terminals at 12 and 6 o'clock set with a further six larger old-cut and brilliant-cut diamonds. The diamonds display lively brilliance and are accentuated by crisp milgrain edging and refined openwork typical of the period. The off-white dial features black Arabic numerals and blued steel hands, and is powered by a Swiss jewelled lever movement.
