Description

Antique Art Deco Diamond Clip Earrings in 18ct White Gold, 2.30 Carats Total, Circa 1930A superb pair of Art Deco diamond clip earrings, dating to the 1920s-1930s, crafted in 18ct white gold and designed in a striking geometric fan and ribbon motif characteristic of the period. Each earring is pavé-set with graduating old-cut diamonds arranged in elegant concentric tiers, terminating in a stylised polished ribbon knot. The diamonds are bright and lively, with an estimated total weight of approximately 1.15 carats per earring, giving a combined total of approximately 2.30 carats. The contrast between the diamond-set sections and the polished white gold fan elements creates a refined sculptural effect, exemplifying the bold yet elegant design language of the Art Deco era. The earrings are
