Description

Ceramic Penguin Money Box - Brædstrup
Denmark - Pondus Cup 1983
Charming money box in the shape of a stylized penguin, produced by the Danish manufacturer Brædstrup. The understated design is typical of Scandinavian style: dark brown body, white belly, and ochre beak. Marked on the base: Brædstrup Denmark. On the back, a gold inscription reads: Pondus Cup - Danmark - 1983 - Vinder (winner), indicating that this item was likely awarded as a trophy during a competition. A beautiful decorative piece in the spirit of Nordic design from the 1970s and 80s, inspired by the silhouettes of penguins popularized by the imagery of polar expeditions. Condition: Good overall condition. Origin: Denmark, 1983. For any question +33778337598
