Description

Beautiful French copper mold, Louis Philippe period, formerly belonging to kitchens of Countess de B... in Provence. Circular mold with a central chimney, the wide, flat base bears Countess's mark: a large B surmounted by count's coronet. On upper levels, a crown of six crenellated towers in four tiers. A beautiful mold, which I had some difficulty cleaning (there's still work to be done), but this allowed me to see that this mold is in good condition, no dents, no repairs. 14.5cm x 11cm.
