Description

18k rose gold (750/°°) ring, owl hallmark. A modern take on the toi et moi design, it features two flowers, lavishly pavé-set with brilliant-cut diamonds--one black, the other white--intersecting in a harmonious movement. Two pear-shaped diamonds form the center, their colors reversed for contrast: black at the center of the white pavé, white at the center of the black pavé. The two flowers are curved to follow the lines of the finger, and their gently undulating contours contribute to the overall relief. The deep rose gold, almost red, adds depth to this piece. This jewel features exquisitely crafted and meticulously finished settings. A contemporary piece in its design, with a decidedly feminine and timeless theme. Estimated diamond weight: approximately 3.60 ct. Gross weight: 8.80 g. Ring
