Description

This 18k white gold (750/°°, owl hallmark) ring evokes the aesthetic of antique snake rings. While contemporary in design, it boasts a more substantial presence, thanks to its head adorned with a pear-shaped ruby at its center, framed by a line of brilliant-cut diamonds and a black enamel border that perfectly defines its contours. Two diamonds stand out within the enamel to represent the snake's eyes. The band is engraved to depict the snake's scales around its entire circumference. The ring sits flat on the finger. Estimated ruby weight: approximately 1.25 ct. Estimated total diamond weight: approximately 0.70 ct. Gross weight: 5.80 g. Ring size: 54 - resizing is possible and can be assessed by our workshop (current diameter 1.69 cm / US size 7). Condition: Imperceptible micro-scratches on the
