Medieval Style Carved Wooden Set - Studded Box & Two Candlesticks - Folk Art

150 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

Charming set of folk art in the medieval style. This carved wooden set includes a studded box resting on four feet (12 x 20 x 13 cm) and a pair of matching tripod candlesticks (H. 27.5 cm). The woodwork, known as "moulu," offers a raw and rustic look that is highly decorative, with stylized floral motifs on the lid and front. Characterful pieces with a beautiful patina of age, ideal for authentic decor or a cabinet of curiosities. Free shipping within Metropolitan France and Corsica. Careful packaging. Tracked shipping within 24/48 hours. Payment accepted by credit card, bank transfer, or PayPal. EUR480
