Description

Elegant and sophisticated floor mirror with tilting mirror, known as "psiche", made of fine solid walnut. This piece features fine details, with wood carvings and gilding, and carefully turned sides and base. On the sides there are two small bronze palms that allow you to fix the mobile mirror, while in the lower part there is a drawer for storing small objects. This magnificent mirror is a work of Lombard manufacturing from the first half of the 19th century, belonging to the Charles X period, and is capable of embellishing any environment with a touch of elegance and refinement. Measurements: H x W x D 189 x 86 x 54cm
