Description

Ceramic bottle decorated with a textile imprint, signed MANU for Emmanuel Peccatte.
Emmanuel Peccatte embodies a bold and radical vision that joyfully breaks with the paths laid by the previous generation. Drawing inspiration from two distinct worlds, industry and nature, Emmanuel skillfully merges the raw power of the former with the organic delicacy of the latter. His pots are powerful and voluminous works that make no concessions to either functional requirements or decorative conventions. They are works of art whose honest and restrained presence is the unconditional expression of a highly original sensibility.
