Early 19th Century Worcester Porcelain Coffee Cup And Saucer, Dragon In Compartments

600 EUR

Signature : Royal Worcester

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

A refined Worcester porcelain coffee cup and saucer dating to the Regency period, decorated in the celebrated Dragon in Compartments pattern. The design combines a sinuous oriental dragon with reserves of precious objects and floral motifs framed by richly gilded panels, executed in vivid famille-verte enamels with fine gilt rims.
Inspired by Chinese Kangxi prototypes, this decorative scheme became one of Worcester's most enduring chinoiserie patterns and remains highly collectible today.
Dimensions
Cup -- weight 100 g, height 6.2 cm, width 9 cm, diameter 6.4 cm
Saucer -- weight 124 g, diameter 12.9 cm, height 3.2 cm
