Description

Elegant six-light bronze chandelier with green painted metal accents, crafted in the Empire style, dating from the 20th century. The symmetrical arms are arranged around a simple and balanced central stem, typical of lighting fixtures inspired by the early 19th century. The combination of bronze and green lacquered metal creates a decorative contrast characteristic of this style. The chandelier makes a striking decorative statement and is perfectly suited to both classic and contemporary interiors. The wiring will be completely renewed. Delivery within Metropolitan France: EUR120. Contact us for more information.
