Period : 20th century

Condition : Bon état

Description

Signed Tief on glass and "Les Lumières de Nancy" on the base. Tief is a French company known for its lighting fixtures for hotels, restaurants, brasseries, castles, cabarets, and cultural venues, as well as for private individuals, through unique pieces or small series. Founded in Aumale (Normandy), the company specialized in the handcrafted production of decorative lighting fixtures in mouth-blown glass and bronze in the 1970s. It distinguished itself with its chandeliers, lamps, and wall lights inspired by Art Nouveau, Art Deco, and Baroque styles, intended for both prestigious establishments and private homes. Height 36 cm. Good condition, no cracks or chips; note some traces of wrought iron on the glass. Carefully packaged. Shipping available: France / International. Payment: Bank transfer /
