Description

This still life presents a carefully balanced composition around three main elements: a blue and white Japanese ceramic vase resting on a sculpted base, a bouquet of light-colored flowers rendered with quick, vibrant brushstrokes, and a small, dark, Japanese statuette depicting a female figure. This still life, with its soft, serene atmosphere and soothing colors, reflects the Japonisme style of the early 20th century. The relatively large size necessitates a higher shipping cost. Shipping within France: EUR30; Shipping within Europe: EUR50; For shipping to any other destination, please request a quote.
