Description

This wrought iron measuring jug, 1 meter long with a rectangular cross-section, is a very rare find. Dating from the 19th century, it features two different graduations: one in centimeters (100 cm) and one in liters (600 liters). A military item from the Napoleon III era, it is marked "Military Supplies." It bears the hallmark of Beranger & Cie Lyon (Weighing Instrument Manufacturer 1848/50). Dimensions: 103.5 cm. Good condition, as seen in our photos. This item is available for immediate purchase, payable via PayPal. We also accept bank transfers or French checks. We do not accept sales by telephone; sales will be conducted exclusively by email or through the Proantic messaging system. We ensure careful shipping of our items, with insurance and tracking.
