Description

Refined oil painting on canvas dating from the 19th century, depicting a delicate gallant scene set within a charming rural landscape. The composition portrays a young couple in an intimate and tender moment: the gentleman leans toward the seated lady, creating a romantic and narrative atmosphere. At their feet lies a hunting dog, while a basket beside the young woman enriches the pastoral setting and adds a sense of everyday rural life. The work stands out for the softness of its color palette and the elegance of its composition, typical of 19th-century French genre painting. The painting is enhanced by a beautiful period giltwood frame, richly carved with vegetal motifs and scrolling decorations, which further emphasizes its decorative appeal and antique character. Signed lower right A.
