Hanger For Teno Hewer Dagger By Assmann

750 EUR

Period : 20th century

Condition : Très bon état

Description

Fantastic condition black leather hanger for the Teno Hewer dagger. The black leather has a textured top layer. The leather loop is not torn like most hangers. The backside of the aluminum clip is stamped with the "A" for Assmann. The aluminum button part is still in place. The black leather on the hanger itself is in great, stiff condition. Hard-to-find item.
