

Grand Tour Red Wax Head Of A Bearded Man - 19th Century

700 EUR

Period : 18th century

Condition : Très bon état

Material : Wax

Width : 10

Height : 16 avec la base

Description

A finely sculpted red wax head of a bearded man, mounted on a Portoro black marble base. This piece is a classic example of Grand Tour craftsmanship, drawing inspiration from ancient Roman or Greek philosophical busts. The intricate detailing of the hair and beard conveys a sense of wisdom and stoicism. Excellent condition with original patina.
