Description

These five volumes of "Complete Course of Surgery" by Benjamin Bell have temporary leather-edged bindings. They were published in Paris by Théophile Barrois in 1796. They contain illustrated plates. We note that the covers are very damaged, with dog-eared corners, pages with tears and creases in places, foxing, signs of wear, and rubbing. Our photos allow you to appreciate the quality of these works. For a detailed description of their condition, please examine the photos carefully. Do not hesitate to zoom in. The photos are an integral part of the description. Dimensions: Height: 19.5 cm Width: 12 cm Depth: 2.5 cm L9245
