

## "the Hand" Bronze Sculpture

600 EUR

Signature : Guido Mariano (1950-2021)

Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 12

Height : 8

### Description

A striking bronze sculpture with a dark brown patina, depicting a hand with extended fingers. This work showcases a deep understanding of anatomy and movement, signed "Mariani". The casting quality is superb, capturing the fine details of the skin and knuckles. A sophisticated collector's piece with strong visual presence.
