Description

"Elephant" table lamp made of travertine by Fratelli Mannelli around 1970. The sculpted base depicts a stylized elephant with compact volumes and simplified lines. The travertine, left in its natural color, reveals the mineral nuances and characteristic cavities of the stone. The cylindrical lampshade made of woven fiber diffuses a soft, warm light, creating a subtle contrast between the raw material and the vegetal texture. Dimensions with lampshade: 62 cm. Manufactured by Fratelli Mannelli, Signa (Italy), around 1970.
