### Description

Sideboard by Vittorio Dassi

Rare piece of furniture designed by Vittorio Dassi.

Dassi founded his company in the 1950s and produced high-end furniture, combining craftsmanship with quality materials.

He is one of the most appreciated Italian furniture designers of the 1950s, his company Dassi Mobili Moderni was often used by Gio Ponti for cabinet making.

Furniture in veneered wood with rhomboidal decoration.

Torino 10147

Three doors with an oval sculpted frame inside which there is a central bar compartment with two drawers and shelves on the sides, all in light ash wood, in contrast with the exterior.

The base features a uniquely designed curved leg with brass details.

The upper part features its original pink colored glass from the time.

Original key present.

The piece of furniture is in an excellent state of conservation, has no structural damage, and may show slight signs of aging visible in the photos.
