Description

Hollywood Regency style coffee table produced by Thormer.

Refined coffee table produced in the 80s by the German manufacturer Thormer.

The Hollywood Regency style is a style that spread in the 80s which took up the Art Deco style making it even more sumptuous.

It has a briar base, the leg is in light blue lacquered wood, glass top with chromed metal details.

Elegant but with an eclectic taste, this coffee table is ideal for any room in the house.
