

Complete Brass Stack Of Nested Weights - 19th Century Metrology

75 EUR

Period : 19th century

Condition : Bon état

Material : Brass

Diameter : 4

Height : 4

Description

A 19th-century solid brass stack of weights (known as the Charlemagne weight set). This antique metrology set is complete, including its hinged main case and all its perfectly fitting internal nesting weights. Period markings ("YN", "16") are visible on the lid. It is in excellent condition with an authentic patina and no missing parts.
