Description

French School, late 18th century, follower of Goya. A knight addressing a circle of witches/spirits during a ritual - Jerusalem Delivered? Pen and black ink over black chalk lines. 22 x 20 cm (sight size) - 40 x 38 cm (framed). Very good condition. Mid-19th century frame. A very interesting drawing, a subject from epic literature (Jerusalem Delivered/Arthurian myth/Nibelungenlied), probably by a hybrid European artist in the style of Louthembourg. A clear influence of Goya. In perfect condition. Free and insured shipping within mainland France.
