Description

Impressive pocket watch chain with two clasped hands - gilt metal - 19th-century French work - 42 cm in brass DIV25CHA001. This impressive and elegant antique gilt metal watch chain, a 19th-century French work, boasts beautiful gilding and is still in good condition. The chain is distinguished by two hands holding a ring, a symbolic and romantic motif of the 19th century. The handles are finely decorated with embroidered motifs, and each hand wears a chiseled ring, a meticulous detail that enhances the quality of the craftsmanship. The clasped hands motif is an ancient symbol evoking union, fidelity, or friendship. This motif appears in men's jewelry and accessories from the Victorian and Second Empire periods. The chain itself is substantial and richly crafted, composed of a

braided link forming metal interlacing patterns. The metal strands intertwine in a dense and decorative relief, giving the piece an elegant appearance. Two metal beads punctuate the design. A handsome waistcoat chain for a wealthy gentleman. The chain's substantial size gives it a striking presence, ideal for accompanying a pocket watch or for a collection of period accessories. Material: gilded metal (pompon type or gilded brass). Length: 42 cm. Beautiful original gilding with a slight patina from use. The watch shown in the photograph is for demonstration purposes only and is not included in the sale. Fast and well-protected delivery. **WORLDWIDE SHIPPING.** For example, for mainland France, Mondial Relay delivery is EUR10 (insurance limit EUR500). Home delivery is EUR16 (fully insured). Check if there is a Mondial Relay store near you. Worldwide delivery is possible; shipping costs are to be determined with the buyer and are their responsibility. Delivery is fully insured and perfectly protected. For international deliveries, if SHOP to SHOP delivery is possible, without further specification... The buyer will be selected for this delivery method. The buyer chooses their delivery method: home delivery or delivery to a collection point. Bank transfer is also possible.
