Description

Relive the enchantment of 1980s funfairs with a unique collector's item: the splendid mechanical spotted cow, a masterpiece of Italian craftsmanship combining nostalgia with technical perfection. Entirely made of high-quality fiberglass and finely hand-painted, this carousel is not just a decorative object, but a true time machine capable of capturing attention in any setting, from sophisticated interior design to the most exclusive private collections. The condition is excellent: the electric movement is smooth and the original music, still vibrant, delivers that joyful atmosphere typical of vintage fairs. With impressive dimensions -- 125 cm high, 120 cm long, and 80 cm wide -- this majestic spotted cow boasts an extraordinary stage presence, keeping the "Made in Italy" charm of 1980 perfectly
