### Description

A French-made, 1900s rotating bookcase crafted from solid mahogany. Made by the TERQUEM workshop in Paris. The unit is mounted on its original casters for easy mobility. Two shelves can be raised to accommodate larger books. The bookcase has three levels: the bottom shelf is 35 cm high, ideal for large art books and graphic novels; the middle shelf is 25.5 cm high, suitable for standard books; and the top shelf is 20 cm high, 36.5 cm wide, and 42 cm deep, allowing large books or other items to lie flat.
