

## Slate Table Circa 1920

3 500 EUR

Period : 20th century

Condition : Très bon état

Material : Stone

Diameter : 100cm

Height : 73/74cm

### Description

Slate table, handcrafted in the 19th/20th century from the Angers region (Trélazé). These tables were made by the most talented workers in the Trélazé slate quarries, generally for themselves or their families. Entirely hand-carved with a stone chisel. Beautiful patina. Several tables available.
