Antique ring with a rectangular, faceted setting adorned with a porcelain miniature depicting a small angel carrying a basket of flowers within a floral motif. The edges of the setting are chased, as is the fleur-de-lis decoration at the base of the band. Period: 19th century. Main material: 18k rose gold (750/1000), eagle's head hallmark.

Proportions: Height: approximately 21.5 mm, width: approximately 12 mm, thickness: approximately 3.8 mm, band width at the base: approximately 1.6 mm. Net weight: approximately 5.1 g. Authentic antique jewelry - French work from the second half of the 19th century. Our opinion: This exquisitely delicate miniature presents a theme that was particularly popular at the time and is very finely executed. The flat, elegant rose gold setting showcases it
