

18th Century Side Table

380 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Walnut

Length : 42cm

Width : 37cm

Height : 80cm

Description

18th-century side table. The understated design is achieved through a shallow wooden gallery that contrasts with the robust body. The tapered legs thus appear slender and airy. The door is handcrafted and functional, as is the drawer. The entire piece rests on bronze feet, adding a touch of understated elegance. Delivery is available but not included in the price.
