Walnut Burl Pedestal Table

220 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Wallnut

Diameter : 38cm

Height : 63cm

Description

A small walnut burl pedestal table. The quality of the top lies in its small, balanced proportions. It harmonizes with the understated, compact central baluster. The semi-arched base evokes Gothic art. The whole is supported by a rustic, handcrafted wooden gallery, typical of the period. Simple, elegant, and rare. Delivery is possible but not included in the price.
