Iron Tsuba Inlaid With Brass, Japan, Edo Period (17th-19th Century)

950 EUR

Period : 18th century

Condition : Bon état

Diameter : 8,4 cm

Description

A maru-gata (round) wrought iron handguard with a deep, dark brown patina, decorated with brass inlays (using the heirin-zogan technique). The decoration features six openwork circular medallions arranged around the perimeter, each adorned with a stylized five-petaled floral motif within a wheel. The whole is connected by a dense network of geometric scrolls and linear interlacing patterns inlaid in brass, creating an elegant contrast against the hammered background.
