

Shoe-shaped Snuffbox With A Mechanism, Late 19th/early 20th Century, Folk Art.

200 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 10,5 cm

Description

Shoe-shaped snuffbox, made of fruitwood. The lid is inscribed "PRISEZ" (Praise), decorated with a scalloped edge and branches. One side is missing its decoration; perhaps a name was erased following a change of ownership. It has a double lid with a locking mechanism; two small iron nails are missing from the middle lid. Good condition. Weight: 60 g
