

Napoleon III Wall Shelf In Lacquered Wood With Painted Decoration

480 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 75

Height : 65

Depth : 32

Description

Napoleon III period wall shelf in black lacquered wood with painted floral decorations. Three shelves connected by turned wooden columns. The decoration is visible on the top of the upper shelves as well as on the crossbars, so that the entire floral design can be seen once the shelf is hung.
