Description

- Gilt bronze and green opaline chandelier, late 19th - early 20th century. - This gilt bronze chandelier, topped with a green opaline shade, demonstrates a clear decorative sensibility. This is evident in the diversity and richness of its ornamentation, such as the chiseled lion heads adorning the candle holders and the delicate, graceful loops and scrolls inhabited by winged griffins on the chains. - This light fixture can be paired with another chandelier available in our gallery with a white opaline shade. - Good condition, electrified. - Dimensions: Height: 158 cm, Width: 75 cm
