The album is old; the photos are vintage prints mounted on cardboard. It was likely brought back by a missionary, and we have included a letter. Please note that the album is slightly damaged, with a minor deformation on the cover, but the photos are in generally good condition. Our photos allow you to appreciate the quality of the item. For a detailed description of the condition, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description.
