Description

This work by a little-known artist is of very high quality. Dating from the 1930s, signed and located in Arcachon according to the exhibition label and inscriptions on the back, it presents a seaside view of the Arcachon Basin, probably at Pyla. The palette is well-judged, capturing the evening light, and a few profiles of bathers can be discerned in the background. The format is relatively large and framed: unframed: 61 x 52 cm; framed: 66 x 57 cm. The work is in very good condition.
