## Description

Charming vase with a lakeside scene by the Muller brothers in Lunéville. Beautiful circular decoration with trees in the foreground, acid-etched and enameled, and a grisaille-painted background in a lovely light violet. A fine piece of glasswork combining several techniques to emphasize the depth of the design. Beautiful, warm colors. The slight constriction before the neck enhances the vase. 15 cm high, perfect condition, signed on the side, circa 1910. A very beautiful, well-balanced Art Nouveau vase.
