

Antique Frame For A Collector's Fan, Wood, Stucco And Velvet

160 EUR

Period : 20th century

Condition : Bon état

Description

A lovely frame perfect for displaying a variety of collectibles. It's made of wood and gilded stucco, with a velvet lining. The interior measures 22,04 inches at its widest point and 12,20 inches at its highest. It opens and closes easily thanks to small metal hooks. There are a few minor, discreet signs of wear, visible in the photos.
