850 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Width : 8.5 cm

Height : 22 cm

Depth : 10 cm

Description

Modernist ceramic sculpture depicting a seated woman tenderly holding a child in her arms. The elongated proportions and stylized facial features lend the composition a strong sculptural presence, characteristic of European post-war artistic production. The textured surface and deep, nuanced patina enhance the emotional intensity of the maternal scene, balancing abstraction with expressive form. A refined decorative piece, both intimate and architectural in its silhouette. French work, circa 1970.
