Description

Portrait of a young man sitting on a chair typical of the second half of the 19th century, holding a large book with the prominent inscription "DANTE," perhaps a reference to his scholarship of the poet. In the background, a window opens onto a view of the city of Florence. Dating to around 1850-60, it has only been cleaned by our restoration studio; it has no restorations or retouching. The frame features inscriptions that refer to a religious painting, perhaps reused for our painting. Contemporary gilded frame. Overall dimensions: 45.5 x 37.5 x 4.5 cm
