Description

Ceramic cat, Minghetti manufacture. An elegant and refreshing sculpture of a seductive cat, crafted by Manifattura Minghetti in Bologna, one of Italy's leading producers of 19th- and 20th-century artistic ceramics. The piece is distinguished by its refined ivory-colored crackled glaze, and the delicate network of fine leathery crackles lends textural depth and timeless charm to the entire surface. The design is simple and harmonious: the soft, elegant lines give the feline figure a refined elegance, enhancing its relaxed and contemplative posture. m. h 22 cm X 14 cm ref. 390/265
