

Immense Earthenware Vase From Toul Bellevue Presented In 1889 At The Universal Exhibition Of Pa

9 500 EUR

Signature : toul bellevue

Period : 19th century

Condition : Très bon état

Material : Earthenware

Width : 75

Height : 110

Description

A major and exceptional piece from the Toul Bellevue factory, presented at the 1889 Paris Universal Exhibition. The dimensions of this piece are extraordinary for the time (the Toul museum possesses one with a blue base, but without the lid). The lid does not necessarily fit properly on the vase due to the size of the piece.
