

Extendable Scandinavian Teak Table - 1960s

750 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Description

Beautiful Scandinavian dining table from the 1960s, made of teak, characteristic of Nordic design of the period. It features an elegant oval shape resting on four tapered legs. The table extends thanks to a built-in central leaf, allowing it to easily transform from a compact table to a large, inviting one, ideal for entertaining. The tabletop displays a lovely wood grain with a warm hue. Perfect for a vintage, Scandinavian design, or contemporary interior. Good overall condition with some signs of wear consistent with age, visible in the photos. Dimensions: Height: 74cm Length with extension: 159cm Length without extension: 115cm
