Lancel Leather Clutch With Embroidery

220 EUR

Period : 20th century

Condition : Très bon état

Material : Leather

Description

A rare and elegant leather wallet-style pouch by Lancel. It features a small handle and opens in two, revealing compartments on one side and the inscription "LANCEL 13 Bd des Italiens PARIS". The front is adorned with an embroidered medallion depicting a basket of flowers, and it closes with a snap. The craftsmanship is superb, with the leather embellished with gold motifs around the edges. The pouch is in very good condition.
